

# SEAN NEWTON JR.

## Esports Production Coordinator | Esports Assistant | Esports Event Manager

I'm a dedicated and detail-oriented Esports Production Assistant with hands-on experience in supporting live event production, content creation, and broadcast operations. I'm skilled in managing equipment, coordinating logistics, and providing technical support to ensure seamless execution of gaming events. I'm adept at working under tight deadlines, collaborating with diverse teams, and maintaining high-quality standards to enhance viewer experience. I'm passionate about esports and committed to delivering smooth, professional productions.
